of Correction**

Sir:

Attached in duplicate is Form PTO-1050, with at least one copy being suitable for printing.

The error was the fault of the Patent and Trademark Office, no fee is required.

Discussion: Two priority documents (JP 2001-055510 and JP 2002-046420) that were previously expunged from the application in response to petitions filed in the office on May 24, 2004, and June 2, 2004, were erroneously included on the face of the issued patent.

This change was further acknowledged by the Examiner in the "Internal Response to Printer Query from TC" on 10/27/2004. The Examiner confirms that only one priority document, JP 057801, should be present in the application, and the other priority documents have been expunged. A courtesy paper copy of this document (obtained via PAIR) is included.

The error was not the fault of the Patent and Trademark Office, please charge the requisite fee of \$100 to Deposit Account No. 13-4500, Order No.       .
